

## **I Lay My Burdens Down (Shepherd Of My Heart)**

Verse 1:

I lay my burdens down at your feet;  
In You I find the grace for all my needs.  
So I will boldly approach Your throne,  
For mercy is found in You alone.

### **CHORUS**

You lead me by the quiet waters,  
Restoring Your peace to my broken life.  
Healing my soul, my cup runs over;  
You are the Shepherd of my heart.

Verse 2:

Your everlasting love follows me  
and on the darkest path, it comforts me.  
Rest in a weary world of pain;  
Renewing my hope in You again.

### **BRIDGE**

So lead me, lead me Lord;  
Teach me from Your Word.  
Show me how to walk in step with You.
